Central Florida Presbytery's Evangelism Resource

Section II (alphabetical by activity)

Section II contains the activities that Central Florida Presbytery churches use as an outreach. They are categorized by type of activity. Each "Activity Group" lists all of the churches that have implemented that type of program. This facilitates comparing listed activities to see what might meet your church's specific needs. For additional information and questions, contact the person listed in section III, which is ordered by church.
