

Resolution

(Submitted by Rev. Dr. Thomas J Biery, Pastor
First Presbyterian Church, Mount Dora)

Brothers and Sisters in Christ of Central Florida Presbytery,

This is an earnest appeal to churches, members, sessions and pastors that are, or may be considering “graceful separation.” We appeal to you brothers and sisters, fellow Presbyterians in Central Florida, long-standing partners in ministry and mission to not rush to judgment regarding possible separation.

Rather, let patient, open, deliberative, honest and prayerful discernment explore every option to be faithful, forbearing and to promote the unity of believers in the bond of Peace.

Approved by Central Florida Presbytery on September 13, 2011.
