Team members agreed to email Paige a brief biography. This will be shared with those who participate in the meetings. Questions and opinions will be collected on 3x5 cards before each meeting and grouped according to topic by the Team. There will be a two minute time limit on those who have a statement to make. This will not be a debate but an opportunity for people to speak or ask questions for clarification. The Resolution Team met with the Session of FPCO and shared our plans for these meetings. We noted that some members of FPCO had contacted us with serious concerns about this process. We shared some of those concerns with the Session. The Session and the Resolution Team agreed to respond in a caring way to those who feel disenfranchised by this process and work to make sure that all voices are heard.

Next meeting of the Team will be October 17, 11AM at the Presbytery office.
