

Resolution Team Meeting
11/15/11

Present: Mike Foley, moderator, Tom Biery, Laurie Rodriguez, Sam Knight, Dianna Morgan and Paige McRight.
Excused: Frank Allen

The team approved minutes of its October 17th meeting for posting to the presbytery website. The team also reviewed communications since the last meeting. It noted the session's provision of answers to questions for the session of First Presbyterian Church and agreed to provide a link from the CFP website to those answers on the First Presbyterian Church website. Mike, Tom and Paige reported on an in home meeting with members. Sam agreed to share questions and comments from that meeting with the session.

The team agreed to next steps in the process:

1. Sam and Dianna will request a meeting with the Denominational Relationships Committee as soon as is practical. Topics to address at that meeting include:
 - a. How to address questions raised at Town Hall meetings that have not yet been addressed.
 - b. How to provide for those who want to remain in the PCUSA following any vote for dismissal
 - c. How to provide for a congregational vote should that request come from the session.
2. The team will request to meet with the session at its January meeting.

Respectfully submitted,
Paige M. McRight
