

Central Florida Presbytery

2024 Camp & Conference Scholarship Application

Central Florida Presbytery is excited to offer camp and conference scholarships to the children and youth of the Presbytery for summer programs. As a Presbytery we believe that summer camps and conferences are an important experience in faith development for children and youth. The Presbytery has set aside \$6,200.00 to provide scholarships for children and youth to attend summer camps and conferences.

Scholarship Requirements:

- Presbytery camp and conference scholarship may be awarded to children and youth (elementary through high school) attending a PC(USA) church that actively supports the Central Florida Presbytery. Churches demonstrate support in any of the following ways: 1) active service by their members on Presbytery committees; 2) financial support for the shared mission and work of the Presbytery; and 3) active participation in Presbytery youth activities.
- The camp or conference must be a Presbyterian Church (USA)-affiliated camp or conference.
- All scholarship requests must be filed on a Church Scholarship Application form. Individual forms will no longer be accepted (unless submitted through the church).
- Scholarships will be given out on a first-come, first-served basis, with only one scholarship being given per person.
- The scholarship money will be sent directly to the church. It will be the church's responsibility to pay for the camp or conference. All checks will be made payable to the church the request originated from.
- Churches will be sent the scholarship check by May 1, 2024. The amount of the scholarships will be: \$50 for 5–6-day camps/conferences; \$25 for 3–4-day camps/conferences; \$10 for 1–2-day camps or conferences
- No more than 1/3 of the registration cost of the camp or conference regardless of length.
- The committee reserves the right to decrease the scholarship award if more requests are received.
- If a child/youth does not attend the camp/conference and another child/youth does not take their place, the church is asked to return the unused scholarship to the Presbytery.
