

It's Time to Engage in a "LEAP Initiative!"

Central Florida Presbytery offers congregations
the opportunity to purposely assess:

- WHO ARE WE?
- WHO ARE OUR NEIGHBORS?
- WHO IS GOD CALLING US TO BE?
- HOW WILL WE STEP INTO GOD'S FUTURE?

TWO DAYS

What: An interactive time of discovery, led by a team from the Presbytery. The team will provide leadership for all youth and adult gatherings and for the elementary-aged children's activities.

When: Two days of the church's choosing

Where: Your church facilities

Who: Your whole congregation is invited to participate, including children and youth

Note: The congregation is asked to fill out a questionnaire that needs to be completed 6 weeks prior to the event.

There are other details that the congregation will be asked to provide, such as breaks, care for pre-school children, and assistance leading small groups. There is no charge for the Presbytery Leadership Team.
